| No. | Part                             | Qty | Type      |
|-----|----------------------------------|-----|-----------|
| 1   | Mounting board                   | 1   | yours     |
| 2   | Baseplate                        | 1   | printed   |
| 3   | #10x1 1/4 in pan head wood screw | 6   | fastener  |
| 4   | Servo                            | 2   | purchased |
| 5   | M3x14 socket head screw          | 10  | fastener  |
| 6   | M3 nylon-insert locknut          | 16  | fastener  |
| 7   | Servo pinion                     | 2   | printed   |
| 8   | M3x10 socket head screw          | 2   | fastener  |
| 9   | Mounting plate                   | 1   | printed   |
| 10  | M5x45 button head screw          | 2   | fastener  |
| 11  | M5 nylon-insert locknut          | 2   | fastener  |
| 12  | Stepper motor                    | 1   | purchased |
| 13  | M2.5x8 socket head screw         | 4   | fastener  |
| 14  | Stepper pinion                   | 1   | printed   |
| 15  | Tap-collar base                  | 1   | printed   |
| 16  | M3x25 button head screw          | 1   | fastener  |
| 17  | M3x30 flat head screw            | 1   | fastener  |
| 18  | M3 hex nut                       | 1   | fastener  |
| 19  | Auger                            | 1   | printed   |
| 20  | Bracket                          | 2   | printed   |
| 21  | Tap collar                       | 1   | printed   |
| 22  | M3x20 button head screw          | 5   | fastener  |
| 23  | Solenoid                         | 1   | purchased |
| 24  | M3x5 socket head screw           | 2   | fastener  |
| 25  | Auger cap                        | 1   | printed   |
